EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

Claim 2, line 2, replace "selected" with --designated--.

2. The following is an examiner's statement of reasons for allowance:

Claims 1-30 recite a method of programming a page of contiguous memory storage units and a programming circuit for programming a page of contiguous memory storage units.

The prior art does not teach or suggest the step and means for floating the program-enabled bit lines, while raising the program-inhibited bit lines from the second predetermined voltage by a predetermined voltage difference to a third predetermined voltage, wherein a predetermined portion of the predetermined voltage difference is coupled as an offset to any neighboring, floated, program-enabled bit lines, and the third predetermined voltage enables floating of the channel of each program-inhibited memory storage and the step and means for applying a programming voltage pulse to the word line in order to program the designated memory storage units of the page, wherein those un-designated memory storage units of the page are program-inhibited by virtue of their floated

channel boosted to a program inhibited voltage condition, and a perturbation resulted from the boosting on any neighboring program-enabled memory storage units is compensated by the offset.

Therefore, the application is in condition for allowance.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
